Let's Address Addresses!

Michele Giorgianni, GISP

NEURISA/RIGIS Lightning Talk

November 14, 2013

The Government uses address data to serve you better

Current Dispatch Technology

Why Point Addresses Are Needed

THIS IS THE MASHPEE INCIDENT – issues are un-named, shared driveway & padded range the owner couldn't agree with his neighbor what to call the shared driveway so he was addressed off main street 52 JACKBON ROAD SHOWED UP BUT HALF-WAY DOWN THE STREET – on a dark night, in the rain, they couldn't find the house,

Planning for Broadband Access

Why Point Addresses Are Needed

Mass Broadband Institute is bringing Broadband to 123 underserved Towns (identify structures in 57 Target Towns)

AppGeo

Luckily, MassGIS had done the hard part!

MASS GIS

To Do List

- ✓ Get lots of $$ from State Police
- ✓ Statewide parcels
- ✓ Statewide building footprints
- ✓ Address standard
